

NORD® COVID-19 VIRTUAL EDUCATION SERIES

#TogetherWeAreStrong

The National Organization for Rare Disorders (NORD®) **COVID-19 Virtual Education Series** is designed to support rare disease patients and their families during the COVID-19 pandemic. The series includes webinars, video vignettes, surveys and other cross channel activities that engage, inform and empower the rare disease community.

PROGRAM SPONSORSHIP

This fund is made possible by individual donations, grants and corporate sponsorships.

NORD's RareEDU® program provides educational resources to the rare community, including those living with a rare disease, caregivers medical professionals students the media and researchers. Any individual, organization, foundation or company interested in making a donation to support our programs may write to education@rarediseases.org.
