

NORD® COVID-19 CRITICAL RELIEF PROGRAM

#TogetherWeAreStrong

The National Organization for Rare Disorders (**NORD®**) **COVID-19 Critical Relief Program** is designed to support rare disease patients and their families, who may be facing a range of financial challenges and hardships as a result of this COVID-19 pandemic. This funding will provide patients with financial assistance that may be utilized to support critical, non-medical needs due to the current crisis.

PROGRAM SPONSORSHIP

This fund is made possible by individual donations, grants and corporate sponsorships.

Since 1987, NORD has provided assistance programs to help patients obtain life-saving or life-sustaining medication they could not otherwise afford. These programs provide medication, financial assistance with insurance premiums and co-pays, diagnostic testing assistance, caregiver respite grants, and travel assistance for clinical trials or consultation with disease specialists. Any individual, organization, foundation or company interested in making a donation in support NORD's COVID-19 relief efforts and programming may reach out to RareCare@rarediseases.org.
