

Adrenal Insufficiency United & Danny's Dose

FAMILY FUN & EMERGENCY PREPAREDNESS

- We are bringing together families and EMS to educate on the importance of Emergency Treatment Plans and how to create them.
- There are over 40 identified rare or chronic conditions requiring specialized emergency treatment.
- These conditions affect over 28 million in the US, over 1/2 a million in Tennessee.

Registration is necessary!!

Contact kerri.e@aiunited.org for registration form. You must register by July 4..

Lunch Included!!

You will be able to note any dietary restrictions on your registration - email kerri.e@aiunited.org

Enjoy the Zoo!!!!

After our event, feel free to enjoy free time at Zoo Knoxville!

Leave with Life-Saving Information!!

Start developing a relationship with EMS and building a life-saving treatment plan.
